

A Message from the President

Halloween gone, All Saints Day behind us – now we know that the real fall will be upon us VERY shortly – perhaps jump right into winter?! The autumn colors of the Yellowstone Valley are still beautiful from the 22nd floor – drinks, dinner and friends make the sunset (have to get here early), a great end of the day or beginning of the weekend.

We have had a number of fun events this past month – of course, my favorite is the wine tasting. The Halloween tasting was great with “finger” foods and a wonderful selection of wines – Dracula, Phantom &etc.

As we approach the holiday and Christmas season members have booked several parties, yet some dates are still available. Call and book your gathering for family, friends or associates to enjoy! Come up to the Club before heading to the Alberta Bair, the Yellowstone Art Museum, Venture Theatre, Moss Mansion or just out for the evening. Call ahead for reservations and be sure to inform your server that you are attending an event at a particular time to assure your dining is timely.

We continue to strive to meet our goals of exceptional food, beverage and great service for our membership. Please let us know when you find it requires some fine-tuning and also when you find its “spot on”!

Remember, only continued and frequent membership use makes it possible to move forward – come on up and enjoy!

See you at The Club.

Letter from the General Manager BPC Membership,

With the Holidays approaching quickly I would like to remind you that **P Club Gift Certificates** are available for your friends and family. They can be requested over the phone, by email or in person and simply charged directly to your account.

Although the Club does not require reservations for lunch and dinner service, I always encourage our members to call ahead especially during the holiday season.

Not only does this help us to provide the best service possible it also prevents inconveniencing you on those occasions when we are closed for private events.

We are very excited to have Jolene Lande back in the kitchen creating her wonderful desserts and baking all of our fresh breads and daily rolls. We have had great response from our members, that the Club's baked items have improved since her arrival. If you have not been in recently, come in and try her delectable desserts. Let us know what you would like to see on your Club's menu.

This month, we have mailed out the Thanksgiving invitations. Please let us know if you would like to join us on this special day. Please call in your reservations early as this event will close for reservations on the 18th and we will not be able to take walk ins.

Also, the employee Christmas fund slips are sent for all members that would like to thank the Staff. We will distribute them to our employees in December before the Christmas break. It is greatly appreciated by all of us.

As always, feel free to call or comment on your experience at your club, as we are here for you and strive to give all our membership the best experience in food and service at the Club.

We encourage you to check the Club web site for all the Club's news and events.
