

Contributions to Refurbish and Renew

Thank you to the members who have graciously arisen to the challenge and given generously. So far only about a fourth of our membership has responded, but we are about two-thirds of the way to our goal of \$20,000.

If you have not already sent a contribution there is still time. If you've misplaced your original contribution slip or just want to save a stamp, give us a call at 406-252-6702 and charge it to your account or to your credit card. Every dollar and show of support is very much appreciated.
